INDEXING POLICY

The Current Awareness Bulletin is based on selected journal holdings of London NHS libraries. It provides a current awareness service highlighting important/relevant research and developments of interest to qualified nursing and Allied Health Professionals.

If you need to look for more in-depth or wide-ranging subjects please contact your local library for further help.

SELECTION CRITERIA

The following items will be included:

1. research based on material in relevant areas
2. items which detail the application of theoretical and clinical developments
3. items concerned with developments in health care management

The following items will not be included:

1. news items, letters, purely anecdotal material
2. basic material in areas which are already well covered and which do not include new developments
3. non-referenced articles
4. items from non-nursing or non-AHP journals

OBTAINING ARTICLES LISTED IN THE BULLETIN

The articles have been annotated as follows:

KA24 indicates article is available through KA24. KA24 is an electronic resource available free to all NHS staff via a username and password. If you haven’t already, please self-register at: http://www.hilo.nhs.uk/ofform.htm

CMH indicates articles can be photocopied from journals held in the library at Central Middlesex Hospital. For remote users who wish to have articles sent directly, an account can be set up to cover the costs of photocopying. Please contact us to arrange this.

Other articles can be requested by inter-library loan. There is a £1 advance charge per article (50p if it is available from Northwick Park Library). To check the library journals holdings list, see: http://www.cmhlib.demon.co.uk/holdings.htm. For Northwick Park Library Holdings, check: http://www.johnsqirelibrary.org.uk/jourhold.htm

PLEASE NOTE: Under the current copyright licence agreement for NHS personnel, you can make up to 15 copies per act of photocopying for any particular purpose. Copies must be taken from the original published edition for each act of copying, and may consist of:

- up to one chapter in a book,
- two articles from an issue of a journal/periodical,
- any number of articles dealing with a particular theme within an issue,
- one entire case from a published report of judicial proceedings,
- or five percent of the publication, if greater than the above.

You can make up to 25 copies of the above for a single meeting of a designated committee (e.g. for all Board members, or an established internal committee).
